

# TNISG

## MIDTERM CONFERENCE 2026

### INDIAN SOCIETY OF GASTROENTEROLOGY

#### TAMILNADU CHAPTER

Date : 24 & 25, October 2026

Venue : **Residency Signature**, Madurai

## WELCOME NOTE

Dear Colleagues,

It gives us immense pleasure to welcome you to the **TNISG Midterm Conference 2026**, to be held on **24 & 25 October 2026** at **Residency Signature, Madurai**.

This meeting has been designed around a Simple theme-“Real world decision making in Gastroenterology and Hepatology”. Moving beyond conventional reviews, the scientific programme will focus on the clinical dilemmas we encounter every day: whom to investigate, when to intervene, what treatment to choose, and when to change course.

Through focused talks, expert discussions and multidisciplinary perspectives, we hope to translate current evidence into practical decisions that can be applied at the bedside.

We warmly welcome you to Madurai and look forward to two days of learning, interaction and collegial exchange.
